Il listello 6x25 in gres porcellanato è prodotto in 20 colori matt, 3 lucidi e 5 full body.

Questa ampia varietà di colori e finiture insieme alla snella forma rettangolare, lo rendono non solo un prodotto tecnico, ma anche uno elemento di decoro, permettendo molteplici possibilità di posa e numerose combinazioni di colore.

E' ideale per ambienti moderni, dal tocco giovanile, ma si adatta altrettanto bene all'utilizzo esterno, in facciate e riqualifiche di edifici.

6x25 gres porcelain tile is available in 20 mat, 3 gloss and 5 full body colours.

This vast range of colours and finishing along with its slim rectangular shape make this item not only a technical, but also a decorative product: it allows numerous laying patterns and several colour combinations.

It is ideal in contemporary settings with a youthful touch, as well as in outdoor façades and building renovations.
